Re: Docket No. 7373
CVPS Corrected Exhibits

Dear Ms. Hudson:

Central Vermont Public Service Corporation (“CVPS” or the “Company”) submits for filing with the Public Service Board (the “Board”) the original and six copies each of a corrected page 14 and replacement page 20, Table F, for Exhibit Petitioners KJ/LK-8 in the above referenced proceeding. These corrected exhibit pages should be substituted for the ones originally filed with the Board as a part of the petition, prefiled testimony and exhibits on November 8, 2007. The original pages are located in Petitioners Exhibit Binder Volume VIII, at tab KJ/LK-8.

Original page 14 of Petitioners Exhibit KJ/LK-8 contains a typographical error and erroneously references “21 Mw of DG” when introducing the Table 4 scores for Option 7A. The correct reference DG value is 41 Mw. As reflected on the corrected exhibit the sentence provides:

The Table 4 scores for Option 7A (A, B, 69 kV, T4, S, DSM -19 Mw, DG - 41 Mw) are as follows...

(footnote omitted).

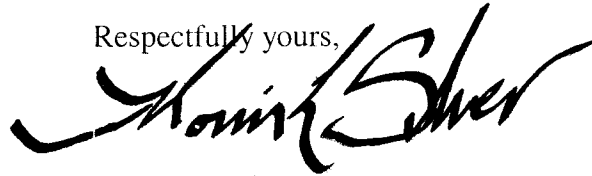

As originally filed, Exhibit Petitioners KJ/LK-8 omits Table F. The missing table is attached.

Ms. Susan M. Hudson, Clerk
Vermont Public Service Board

Page 2

CVPS has also discovered that the first four pages of Exhibit Petitioners KJ/LK-10 were included in error. *See* Petitioners Exhibit Binder Volume VIII, at tab KJ/LK-8. The Company requests that these pages be deleted from the exhibit.

Should you have questions concerning this submission, please do not hesitate to contact me. In the meantime I remain,

Respectfully yours,

A handwritten signature in black ink, appearing to read "Morris L. Silver". The signature is fluid and cursive, with the first name "Morris" being larger and more prominent than the last name "Silver".
